# INTRODUCTION

## GREAT AMERICAN DOG SHOW

November 22-24, 2024

Schaumburg Convention Center | Schaumburg, IL

The Great American Dog Show provides an unparalleled opportunity in the midwest to connect with thousands of pet loving customers. We focus uniquely on reaching suburban families, the general dog-loving public and bridging the gap between breeders and exhibitors and pet owners through education and engagement.

Our lively, fun-filled events include a world class AKC conformation show, an ambitious schedule of demonstrations in agility, obedience, scent work, trick dogs and more, a Greet the Breeds experience where the public can interact with various breeds and learn about them from experts, a family-friendly Kids Zone and an expansive educational speaker series covering topics from nutrition to DNA testing to veterinary care.

Our January headliner is the Great American Puppy Show, a unique event that showcases hundreds of puppies frolicking around on the red carpet. In addition, we host the Windy City Grooming Show, the first Groom Team USA sanctioned event of the New Year and the wildly popular Owner Handler Awards Gala.

In November, our special attractions include the Great American Cat Show, a TICA sanctioned cat show, and a North American Dock Diving competition.

Come vend with us, where we are bringing the public back to dog shows!
